

HOCKINSON SCHOOL DISTRICT

Preparing all students for lifelong success

February 12, 2016

Dear Hockinson Voters,

I want to extend my sincere appreciation for your support of our replacement levy for School Programs, Maintenance and Operations. This local support is absolutely essential to continue the quality programming we offer here in Hockinson and to keep our schools and equipment current.

As you are probably aware, state funding covers only 71 percent of our district's total budget. Local levy dollars, along with funds awarded by the state when we pass a levy, make up 21 percent of the difference.

Hockinson School District has a strong history of community support, and believe me our staff and students feel it. The ballots are still being counted, but as of Thursday we were at 54.32 percent "yes" votes. We are optimistic that in the final tally this levy will pass, and we will be able to continue offering exceptional educational opportunities to our students.

Working together, we can ensure that our students continue to thrive in a safe environment while receiving exceptional educational opportunities.

Thank you again for your support.

Sincerely,

Sandra Yager

Sandra F. Yager, Superintendent
