2.2 District Overview

Hockinson Schools were established by Scandinavian immigrants in the late 1870's. The original school house was sited where the present day Middle School is located. An Elementary School was added on the east hill and finally a High School was built in 2003. Hockinson High School's first graduating class was in 2006 after many years of being a non-high school district.

The Mission of Hockinson School District is:

To collaborate toward our common purpose.

To challenge our assumptions by continually evaluating and improving.

To use effective and relevant instructional practices to improve student learning.

To maximize available resources.

To help everyone in the organization to become the best at what they do.

To provide a safe and healthy environment.

To raise awareness and encourage the community to become active participants.

Recent Construction:

In 2014-2015 school year the District started on several capital facility projects. The High School installed additional athletic fields, new bleachers, a new field house building for sports, and a high school band room addition to the current building. In 2015-2016 school year the District began construction of the replacement Middle School which is expected to be opened for the 2017-2018 school year.

Early renderings of the replacement Middle School.
